

Athena is a Stakeholder Engagement Manager at ICANN, covering ICANN's relations with stakeholders in Southeast Asia and Japan. Based in Singapore, she works with key stakeholders such as governments, registries and registrars, and members of the technical community to strengthen local and regional Internet governance.

Prior to joining ICANN, Athena worked for the Singapore Government, covering customs regulations, economic and cyber diplomacy over a span of 7 years.

Athena holds a Master's degree in Public Policy from the Lee Kuan Yew School of Public Policy, and a Bachelor of Arts in Theatre Studies from the National University of Singapore. She speaks English, Mandarin, and conversational Russian.
